

Dear Customer

THANK YOU for your purchase at **Lednordic**

We hope you enjoy your purchase with us and enjoy the little glimpses of life.

Manual for : Taper Candles

How to use the candle

1. Remove the base of the candle carefully by turning the base
2. Insert the batteries and replace the base carefully
3. Push at the bottom so the taper turn ON.
4. Use the remote control (if you purchased one) to control your candle
5. Please note Rika is with timer so cannot use remote on Rika
6. Please note black candles cannot use remote control.

Should you have any questions about the product, you are more than welcome to contact us.

With best regards

LED  NORDIC

Enjoy the little glimpses
